Subject: Fire Department Letter - Draft

Don,

Please take a moment to review the attached document. This document is only a draft and not an approved motion on behalf of the village board. You should, however, understand that this is the current mindset of the Cedar Grove board and we are all in agreement on the contents of this document. It will be an agenda item for our May board meeting. Please share this with your board members and respond back to us accordingly.

Letter 090414 Fire
Department ...
